Ultrasound 2017

The Philips EPIQ 7

Mission Statement

We are a charitable organization that inspires our rural community to invest in our first class hospital

Vision Statement

We strive to be an innovative and motivational fundraising organization that supports our first class hospital.

We Value

We value the leadership, initiative and teamwork by our volunteers and donors who provide the energy and commitment necessary to meet the health care needs of our community.

Equipment Benefits

- Up to date technology
- Improved Echo feature used for cardiology examinations
- Increased image quality
- Portable and Mobile Machine

The Philips EPIQ 7 is the top-of-the-line shared service ultrasound machine available. It offers xMatrix and Purewave single crystal probes, a compact and lightweight design and superior ergonomics and workflow, and it provides a clearer image for doctors, patients & staff.
