

About Us

Hanover & District Hospital (HDH) works with its partners to provide a full range of primary acute care hospital services and selected secondary services to meet the needs of the population of Hanover and the surrounding rural townships.

HDH provides the people we service access to the care they need through 24/7 Emergency Department, Acute Care Unit (inclusive of medical/surgical beds, multipurpose ICU and RCU beds), Physiotherapy Program, Surgical Services Department, Family Centered Birthing Unit, Hemodialysis Unit and Palliative Care Services.

The Hanover & District Hospital is strongly committed to creating and maintaining a workplace of choice where staff are recognized and valued. One of Hanover & District Hospital's strategic goals is to support our current and future health care team.

Our staff and physicians are critical to care delivery. We are committed to investing in our staff and physicians to ensure they have the required support, training and resources to deliver the best care possible.

Hanover & District Hospital has proudly achieved "Accreditation with Exemplary Standing" for the third time and this speaks to the amazing staff and team who worked together to achieve excellence.

HDH strives to promote a positive work culture and strives for work-life balance. To help accomplish this, we provide many initiatives.

Our registered nurses cross train between our Emergency Department, Acute and OB providing them with a diverse work experience. We offer a challenging experience that will allow you to work within your full scope of practice. We have a dynamic energetic team that work together to provide the best care for our patients.

If you want a patient-centered focus and think this is the workplace for you we are looking for a Registered Nurse for our Surgical Services.
